MESSAGE FROM HALIMAH YACOB

PRESIDENT OF THE REPUBLIC OF SINGAPORE

My warmest congratulations to the 190 award recipients of the Community Chest Awards 2021!

As the demand for social services increases, I am heartened that more corporate and community partners like yourselves are coming forward to help individuals and families in need tide through their challenges amidst the pandemic.

Your contributions towards the sector are invaluable in building a caring, collaborative, and impactful social service ecosystem. Through forging strategic and sustainable partnerships, together we can enable our social service users to develop their potential and independence; and foster a spirit of solidarity in uplifting communities and empowering lives.

I thank you for your generosity and exemplary support towards Community Chest, and I look forward to meeting you at the Awards Ceremony.

MESSAGE FROM MR PHILLIP TAN

CHAIRMAN OF COMMUNITY CHEST

Last year, the generous support of our partners has contributed greatly to uplifting the lives of those who need support in our society. The display of the spirit in giving during the COVID-19 pandemic – whether through monetary donations towards COVID-related funds or in-kind contributions – is a testament to the solidarity of the community.

In 2021, we want to recognise and celebrate the same community spirit that has assisted and empowered social service users. With your support and commitment, Community Chest was able to rally more than \$87 million in donations in FY2020 (ended 31 March 2021) towards helping more than 100 social service agencies and 200 programmes, and groups impacted by the pandemic.

As Community Chest continues to raise funds to support our social service agencies to meet social service needs, we aim to support the social service sector for long-term growth - to be resilient, agile and build capabilities to stay future-oriented. The launch of the Community Capability Trust, a fund dedicated to helping our social service agencies build capabilities and capacities that enhance the quality of their services, will be a key pillar in enabling this for the future.

I would like to express my heartiest congratulations to all the Award recipients. Your generosity continues to impact our service users profoundly, and we look forward to continuing our collaboration with you to catalyse more and stronger cross-sector partnerships for holistic caring. Together, we can realise our vision of building a caring and inclusive society where no one is left behind.

EMPOWERING LIVES WITH CARE

At Community Chest, we collaborate with like-minded partners to create platforms for our social service users to contribute through their talents and abilities. Through your gifts of time and resources, those in need of support are presented with opportunities to pursue their dreams and fulfil their potential.

Stiven Willi Sim, Movement for the Intellectually Disabled of Singapore (MINDS)

Children are inquisitive by nature and Stiven is no exception. However, he struggled with not being able to communicate his curiosity with others. At the age of 8, Stiven's persistent aversion to speaking up and trying new things was worrying. He was later diagnosed with Autism Spectrum Disorder (ASD). Stiven often shied away from attention, preferring to make requests by gesturing instead of speaking, and rejected doing tasks. To help Stiven realise his potential, he was enrolled into MINDS Lee Kong Chian Gardens School (LGS), a special education school supported by Community Chest. The programmes provided by LGS boosted his academic progress and enabled him to verbalise his requests and interact with his peers. On Stiven's journey of discovering the world, he has explored horse-riding with the Riding for the Disabled Association and now excels in it after overcoming his initial fear.

BUILDING A COLLABORATIVE AND IMPACTFUL ECOSYSTEM

In building an inclusive community, the people, public, and private sectors have joined hands to make a powerful difference. With the unwavering support of all our partners, Community Chest is able to serve the evolving social needs of our service users.

Mr Loh Wee Kiat, SPD

Born with cerebral palsy, Wee Kiat is not able to walk or run. However, disability is no obstacle to him in pursuing his aspirations. After his studies at the Cerebral Palsy Alliance Singapore, Wee Kiat was referred to the sheltered workshop at SPD, an organisation supported by Community Chest that serves persons with disabilities, to equip him with skills and improve his employability. With the support from the workshop, he found a good fit in computer-based work and often stepped forward to help fellow trainees with simple IT troubleshooting. Through the workshop, Wee Kiat overcame his fears of using a motorised wheelchair. With his

newfound independence, he looks forward to buying his meals and going on outings with his family and friends. The confidence that Wee Kiat has built up over time encourages him to take on new challenges. Once a person with low self-esteem, Wee Kiat now aspires to bring positive impact to people with disabilities by sharing his experiences. He is also working towards his goal of securing employment in an IT-related setting in the mainstream workforce.

STRENGTHENING OUR SOCIAL SERVICE ECOSYSTEM FOR THE FUTURE

While Community Chest continues to mobilise resources and donations for supported social service agencies (SSAs) and their critical programmes, it recognises that demand for social services is set to increase in both scale and complexity, especially post-COVID.

With limited resources, we need to optimise the donations raised by strengthening our SSAs. This will enable SSAs to strengthen their sustainability and create more impact in serving social service users.

This is what the Community Capability Trust (CCT) aims to do – to help SSAs build their capabilities and capacity, so that they are able to make use of resources more sustainably and deliver better service outcomes.

The Government and Tote Board have committed to contribute \$200 million to the

CCT's initial capital and a further \$150 million to match donations to the CCT in the coming years. Community Chest itself has committed \$30 million as capital. In the long run, we hope to affect a mindset shift – from a fundraising mindset with a focus on the 'now', to a philanthropic mindset that funds the sector for the long-term and sustainable growth.

We invite you, our valued partners and donors, to see the CCT as a way to complement traditional programme funding and create a legacy with your donation. With strategic partnerships by the people, private and public sectors catalysed by the CCT, we can ensure that the sector stays future-focused, resilient, and ready to meet future challenges.

For more information, visit www.comchest.gov.sg/communitycapabilitytrust

FEATURED PERFORMER :

A MEDLEY BY MUSICIANS FROM THE NANYANG ACADEMY OF FINE ARTS (NAFA)

Students, staff and alumni of the NAFA School of Music are delighted to present a pre-recorded performance at the Community Chest Awards again this year. This meaningful event is aligned with NAFA's core values of Passion, Care and achieving Excellence through Creativity, Exploration and Resilience. We hope that the audience will enjoy the refreshing and upbeat rendition of the selected pieces!

Lu Heng,
Assistant Manager (Programming & Production), NAFA School of Music

Musicians comprising students, staff and alumni from the Nanyang Academy of Fine Arts (NAFA) have put together a medley of popular and community songs to be showcased at the Community Chest Awards 2021, with members of the Metta School Ukulele Ensemble appearing in a special collaboration. This production is part of a group of selected students' Industry Project under NAFA's Industry-Based Learning framework, where they apply discipline-specific knowledge and skills as well as develop professional skill sets.

The medley of three songs - 细水长流, Best Day of My Life and Di Tanjong Katong - is put together by BMus 4 student Lim Han Quan, who had also arranged the medley for NAFA's involvement at the Community Chest Awards 2020. Under the supervision of alumna Music Director Shaun Tan, and featuring alumna soprano Felicia Teo, the ensemble also includes students Zulkhairi Bin Zainuri (clarinettist), Roi Teo Junhao (flautist), Muhammad Adam Putra Pertama Damar Alam (pianist) and Li Xiaoyue (percussionist), as well as Teaching Assistant Yeo Zeng Ying (electric bassist).

FEATURED PERFORMER :

METTA SCHOOL UKULELE ENSEMBLE

Metta School's students are honoured to be part of the Community Chest Awards 2021. During this challenging period of COVID-19, we are grateful to contribute our efforts for the event. With the constraints, we do what we can to adapt and make the best out of the situation. Given our fewer practices, we will still do our very best to perform.

Mdm So Kah Lay,
Principal, Metta School

As part of Metta School's mission to empower students to reach their fullest potential through quality and holistic education, the Metta School Ukulele Ensemble provides a unique experience for the students in enhancing their self-confidence and instilling the value of self-discipline and teamwork in them.

The Ensemble is made up of 56 students. Since its set-up in 2015, the Ensemble performed at various occasions, both in school and at external events. This includes collaborated performances with parents, Raffles Institution and Ave Maria Choir at the Shine Night Concert, and An Extra.Ordinary Celebration held at University Cultural Centre in 2019, as well as a performance at The Istana in the same year.

At the Community Chest Awards 2021, the Ensemble collaborates with the Nanyang Academy of Fine Arts (NAFA) in a joint musical performance, where musicians of different abilities come together to perform in perfect harmony.

FEATURED PARTNERSHIP :

EXTRA•ORDINARY PEOPLE

This year, Extra•Ordinary People partners Community Chest at the Community Chest Awards 2021 to curate the event's tote bag. It features a painting by Genine Tham, a differently-abled artist and a beneficiary of their Art Psychotherapy Programme.

Extra•Ordinary People was established in July 2017 as a registered charity, with a mission to support every person with special needs in Singapore through community-supported initiatives. Through integrated therapy services, performing arts programmes, inclusive employment opportunities and caregiver support programmes, their vision is to create a more inclusive and Extra•Ordinary Singapore.

When Genine first started her Art Psychotherapy sessions in 2019, Genine was only able to draw the letter 'H' and the number '9' using a red marker. Within a therapeutic space through guidance and encouragement by her therapists, she has since developed a sense of openness, learning to playfully explore her environment through movement, rhythm, colour, sound and touch. Genine even articulated her first complete sentence, 'I want to choose' while pointing to her colour of choice during one of the sessions.

To date, Genine has had her paintings featured at two exhibitions, including a solo exhibition. Through this artistic journey, she has blossomed into a confident young woman who is able to make her own choices and navigate her way through this world.

Looking at Genine's paintings, I can see how she expresses her inner world. It is really encouraging to see how far she has come.

Ms Joysline Kwan,
Genine's mother

From top to bottom: Genine Tham at an Art Psychotherapy session, Peace (2019), Ocean Deep (2020)

FEATURED PARTNERSHIP :

APSN TANGLIN SCHOOL MULTIMEDIA CLUB

The Multi-Media Club (MMC), a CCA programme in APSN Tanglin School, is made up of about 60 students in Secondary 1 to 4. The students are passionate about technology and media and keen to pursue their interest in various specialised skills in technology domains such as digital content, 3D design and printing, drone navigation and coding, and games development.

MMC aims to empower students as active creators by enabling authentic opportunities for them to individually and collaboratively inquire, build, design and create. The club fosters skills and habits of mind that encourage creation of information, ideas, and products with real-world applications. It also gives the students opportunities to present and demonstrate their learning and solutions at various schools and public events such as the Singapore Maker Faire, SPED learning conferences and community festivals. The most significant highlight for the students is their attainment of the Maker of Merit award for presenting the most innovative project at the 2018 Maker Faire.

The MMC students were excited to create a video for Community Chest Awards 2021. They have created a light-hearted music video that will be an

Diversity can power creativity and collaboration and spark innovative solutions. Our students are excited to collaborate with Community Chest on this creative project. With the support and opportunities given by Community Chest and partners, our students will be able to share their work with many others and proudly exclaim, "We are able!"

Mr Nick Wee and Mr Jonathan Tsang,
Teachers-in-Charge, Multi-Media Club, APSN Tanglin School

entertaining spectacle from start to finish as it depicts Singapore's resilience in its COVID-19 journey from pandemic to endemic.

Tanglin School celebrates the diversity and ability of students with special needs. By embracing this positive perspective and creating positive modifications in the design and delivery of instruction that build on students' strengths, they ensure that their students achieve success both in the classroom and out in the real world.

Lam Soon Singapore
is a recipient of the
Charity Platinum Award

Lam Soon Singapore

Being a homegrown household name that has been well-supported by the local consumers over the generations, Lam Soon Singapore understood that they had an important responsibility towards the community when the pandemic kicked in.

In 2020, the homegrown Fast Moving Consumer Goods giant commemorated their 70th anniversary with a \$7 million pledge. This included a \$3.5 million donation to Community Chest, which was disbursed to support eight social service agencies that champion the needs of groups such as children with special needs, youth-at-risk, and adults with disabilities. This donation is the largest one-off contribution from a corporate donor towards Community Chest's funded programmes.

The donation is aimed at mitigating the impact of COVID-19 on those in need of assistance in Singapore, and Lam Soon Singapore saw how their generous support would be especially vital in this period of crisis. In addition, they partnered Edible Garden City to build sustainable gardens in schools and care facilities, to instil the concept of sustainability in the young and to empower the elderly through improved holistic wellness.

This gesture exemplified the organisation's desire to uphold their twin values of Community and Sustainability. Beyond philanthropy, Lam Soon Singapore endeavours to continue extending

their support in areas of volunteerism with Community Chest, to inculcate the value of giving back among their 120 employees.

We understand that at a time where help is hardest to come by and resources are scarce, possessing the capacity to give is invaluable. Being able to support social enterprises to allow them to continue operations during the pandemic, and in turn, uplift the spirits of communities-in-need, is key to emerging from the crisis as a stronger nation.

Ms Sulina Tsai,
*Executive Director (Marketing),
Lam Soon Singapore*

StarHub is a recipient
of the Charity Platinum
Award

StarHub

As a homegrown company, StarHub cares for the local community and channels support towards its key sustainability goals of narrowing the digital divide and improving connectivity and employability for people in need.

StarHub is a longstanding partner of Community Chest and was a key partner of Community Chest Heartstrings Walk 2021. The organisation raised and donated \$367,200 and rallied its employees to participate at the virtual fun walk.

About 50 percent of the donation was used to support programmes at Metta Welfare Association, SHINE Children and Youth Services and Singapore Anglican Community Services, empowering hundreds of children and youths, and helping persons with mental health conditions to reintegrate into the workforce.

The balance of the contribution was channeled to The Food Bank Singapore to support lower-income households and seniors with healthier food items available 24/7 through a network of vending machines. This initiative harnessed the power of technology to help those in need and was part of StarHub's multi-faceted efforts during the pandemic to help the community tide over the difficult period.

In addition to their annual donations towards Community Chest's funded programmes, StarHub

donated \$300,000 to The Courage Fund last year to provide relief and support to frontline healthcare workers and COVID-19 patients. The organisation also helped close to 4,000 service users through the distribution of welfare care packs and the defrayment of HDB rental costs in collaboration with Care Corner Singapore, a social service agency supported by Community Chest.

At a time when individuals and families face unparalleled difficulties, StarHub reached out to lend their support, exemplifying their efforts in building a more connected and inclusive Singapore.

Our strong collaboration with Community Chest goes back to 2002. With StarHub at the forefront of digital technology and Community Chest in close walk with beneficiaries, we are gratified that we can join hearts and hands to care for those in need of support. It is heartening to see our joint efforts, from annual fundraisers to community events, enabling a myriad of worthy causes and helping to improve the quality of life among beneficiaries.

Veronica Lai,
*Chief Corporate Officer,
StarHub Ltd*

SECRETARIAT
of healthcare
PROFESSIONAL BOARDS

Singapore Medical Council is a recipient of the SHARE Platinum Award

Singapore Medical Council

As healthcare Professional Boards (PBs) under the Ministry of Health, the Singapore Medical Council (SMC) and all the healthcare PBs place the wellbeing of the public at the core of their work. In 2020, the Secretariat of healthcare Professional Boards (SPB) was set up as a department under the SMC to provide common shared services to all the healthcare PBs in Singapore.

Realising that the COVID-19 pandemic had brought many challenges to individuals and families, SMC/SPB stepped up their efforts and inspire employees to give back to the community. They actively rally employees to contribute a portion of their monthly salary through the Community Chest SHARE programme to support social service agencies.

During staff orientation, all new employees are encouraged to sign up for the monthly giving programme via payroll. SMC/SPB also engages individual employees who have yet to come on board the Auto-Inclusion Scheme to give them a better understanding of SHARE and encourage them to sign up for it. Their efforts paid off as employee participation rate jumped to 93 percent, a 15 percent increase from the previous year.

SMC/SPB's employees also participated in various CSR fundraising efforts. These include donations

made to "Food from the Heart" to support lower-income families through its food distribution programme, and funds raised to bring 'Fu Dais' to seniors and families in need of support to spread festive cheer during the Lunar New Year.

SMC/SPB has remained steadfast in their support of Community Chest by making SHARE an integral part of its employees' giving journey. They hope these efforts will bring significant improvement to the lives of those in need.

The SMC/ SPB has always been very supportive of CSR efforts, as we believe in giving back to the society to help the less fortunate. SMC/SPB actively engages our staff to support the Community Chest SHARE Auto-Inclusion Scheme and various meaningful fundraising activities. We will continue to play our part in supporting corporate social initiatives to help those in need, especially during this challenging period.

Mrs Joanna Tan,
Executive Director, Singapore Medical Council
Executive Director, Secretariat of healthcare Professional Boards

Republic Polytechnic is a recipient of the SHARE Achiever Award

Republic Polytechnic

As an education institution, Republic Polytechnic promotes the ethos of empathy and compassion among their staff and students. To create a seamless donation process for employees, they started the SHARE Auto-Inclusion Scheme (AIS) in 2014 for all new hires to donate monthly on a voluntary basis. Over time, more colleagues joined the Scheme, enabling them to achieve an overall participation rate of 74 percent every year.

When the pandemic turned into a year of unprecedented events in 2020, Republic Polytechnic saw a need to do more to support those who were affected socially and financially. They extended the AIS to all full-time staff who were yet to be on board by helping them understand the impact of their contribution. In 2020, participation rate increased to 99 percent.

Besides donations to SHARE, Republic Polytechnic actively promotes activities organised by Community Chest to their school community and partners Community Chest through their student service-learning projects.

Republic Polytechnic resonates deeply with the work of Community Chest in their goals to empower and uplift others, whether through

giving or education. Moving forward, they aim to go beyond financial support and spur active volunteering with Community Chest as part of their CSR efforts.

We are proud of our staff who have voluntarily contributed through the SHARE programme. By encouraging staff to give and support the less privileged, we hope they can be catalysts and multipliers who will inspire more to come forward to support the community.

Mr Boo Chong-Han,
Deputy Principal, SkillsFuture & Organisational Development,
Republic Polytechnic

CapitaLand Group is a recipient of the Volunteer Partner Award. CapitaLand Hope Foundation is a recipient of the Charity Platinum Award.

CapitaLand Group

For the past 13 years, CapitaLand has been in strong support of Community Chest. Caring for and giving back to the community is prevalent in its company culture, where they actively encourage volunteerism among staff and senior leaders.

CapitaLand was one of the first companies in Singapore to step forward in support of The Courage Fund when the COVID-19 pandemic struck. As part of Temasek Foundation's Stay Prepared initiative, they provided spaces and volunteers to distribute complimentary hand sanitisers to the public.

In 2020, they started the #MealOnMe initiative, which provided 44,000 meals and food bundles to more than 9,000 seniors and groups in need, delivered by more than 150 CapitaLand staff volunteers and their family. They also leveraged their digital platform to rally CapitaStar members to support the cause by donating their STAR\$® with matching donations from CapitaLand Hope Foundation.

CapitaLand continues to look at innovative ways of giving and engaging their networks to support children and seniors, reinforcing their commitment to play their part in building a caring and inclusive society.

Caring for our communities both globally and in Singapore is part of CapitaLand's DNA. We have built this culture by actively encouraging everyone in the organisation to volunteer. Social responsibility is embedded in everything we do at CapitaLand, and we will continue creating new initiatives and ways to serve the community.

Mr Tan Seng Chai,
Chief Corporate & People Officer,
CapitaLand Investment and Executive
Director, CapitaLand Hope Foundation

FairPrice Group is a recipient of the Volunteer Partner Award. NTUC FairPrice Foundation Ltd is a recipient of the Charity Platinum Award.

FairPrice Group

As a social enterprise, FairPrice Group keeps the community at the heart of all they do. The Group brings together NTUC FairPrice, NTUC Foodfare, Kopitiam and NTUC Link with a common purpose: to nourish generations and make life better for all. Guided by its social goals to do good for the community, FairPrice Group actively serves communities-in-need through volunteerism and philanthropy.

FairPrice Group has been supporting seniors in various ways. When restrictions due to the pandemic kicked in, they recognised that seniors are at a higher risk of social isolation. As large group volunteering activities came to a halt, FairPrice volunteers found creative ways to continue reaching out to seniors residing in nursing homes.

With the help of technology, staff volunteers filmed and produced activity videos and virtual shopping tours to keep Ren Ci Nursing Home residents engaged. Similarly, for residents of NTUC Health Nursing Home, they conducted virtual exercises and put together a music video over Zoom during National Day to rouse national pride. At Bishan Home for the Intellectually Disabled, staff volunteers took to Zoom to conduct origami sessions to engage with residents in a fun and interactive way.

In addition, FairPrice Group supported The Food Bank Singapore and Food from the Heart in their

food distribution programmes which served 300,000 individuals and 28 welfare homes respectively. Through in-store donation drives, they raised over \$67,000 worth of grocery donations for beneficiaries of both charities.

FairPrice Group has cultivated a strong sense of social responsibility among employees and their strong support has brought significant impact and meaning to many lives.

FairPrice Group embraces the practice of corporate philanthropy to empower and build resilience in our community. In addition, our staff volunteer programme provides a structured and holistic approach for our team to contribute their time and talent towards developing a caring and inclusive society. Being conferred the Volunteer Partner Award, as well as the Charity Platinum Award by Community Chest, reaffirms our resolve to do our part for the less fortunate. Through our partnership with Community Chest, we hope to continue creating positive impact and make lives better for all.

Mr Seah Kian Peng,
Group CEO, FairPrice Group

Marina Bay Sands Pte Ltd

A leader in the hospitality industry, integrated resort Marina Bay Sands' commitment to Singapore goes far beyond meeting its economic and tourism goals. They are also committed to drive impact and inspire change in the wider community.

Today, apart from donating to a range of causes to support those in need, Marina Bay Sands shares a purposeful relationship with Community Chest as a co-organiser of the annual Heartstrings Walk for the 10th year running.

Due to Covid-19 restrictions, Marina Bay Sands converted this year's Heartstrings Walk to virtual activities together with Community Chest. The hybrid event was launched at the Hybrid Broadcast Studio through Facebook livestream. Additionally, Marina Bay Sands galvanised the support of its tenants by sponsoring more than 3,200 discount vouchers for participants who signed up for the walk as an incentive. Nearly 2,100 participants joined the Walk and over \$4.7 million was raised.

Beyond the funds raised, Marina Bay Sands' support towards Community Chest bears

testament to how invaluable partnerships can be forged across the people, public and private sectors, building a collaborative and impactful social service ecosystem in Singapore.

Marina Bay Sands cares very much about the community we operate in. With our continued support of the social service sector, we hope to inspire our employees and members of the public to give at their own capacity to create an even bigger impact in our society. Together with Community Chest, we'll pave the way for newer and greater CSR possibilities in the hospitality industry and social service landscape.

Mr Paul Town,
Chief Operating Officer,
Marina Bay Sands Pte Ltd

AWARDS CRITERIA AND ELIGIBILITY

PINNACLE AWARD

The Pinnacle Award is the highest honour conferred by Community Chest to recognise and thank an organisation for its exemplary efforts in holistic caring and the excellent example it sets as a role model in the following three aspects:

- 1**
GIVING OF DONATIONS
- 2**
VOLUNTEERISM AND/OR MAKING NON-MONETARY CONTRIBUTIONS
- 3**
INCLUSIVE EMPLOYMENT

The nominee organisation must be eligible for firstly, a SHARE Award or Charity Award and secondly, a Volunteer Partner or Enabler Award. Besides the presentation of the Pinnacle Award to showcase an organisation that leads the wave in the giving of its time and treasures, the organisation must also incorporate sustainable and inclusive employment measures such as:

- 1**
Number of persons with disabilities or mental health conditions hired
(based on a percentage of total staff strength).
- 2**
Policies or practices implemented to facilitate the seamless hiring and integration of these staff.
- 3**
Procurement of products or services provided by charities or social enterprises.

Singapore Exchange Limited is a recipient of the Pinnacle Award, Volunteer Partner Award and Charity Platinum Award

Singapore Exchange Limited

SGX Cares is the collective name for Singapore Exchange's (SGX) three CSR pillars:

- 1) Bull Charge, SGX's flagship fundraising initiative which includes their popular Charity Run held annually since 2004.
- 2) Outreach, an initiative for SGX's staff to volunteer through activities like delivering care packages to individuals and families needing support and sprucing up transitional shelter homes.
- 3) Initiatives to foster financial literacy.

To prioritise the health and safety of participants, the Bull Charge Charity Run was converted to a virtual format last year, enabling runners to join in from different cities around the world for the first time. Despite being a challenging year globally for charitable fundraising, SGX was able to rally the support of the financial community to successfully raise over \$3.6 million. Working alongside Community Chest, the funds were channelled to AWWA Ltd., Autism Association (Singapore), Fei Yue Community Services, HCSA Community Services and Shared Services for Charities.

Through last year's Charity Run, SGX also matched contributions dollar-for-dollar to \$1.5 million while committing an additional 1,000 volunteer hours. More than 200 staff volunteers contributed 1,385 volunteering hours over nine different activities through the year, altogether touching the lives of more than 2,400 individuals.

Since the COVID-19 outbreak, SGX has made significant contributions to provide support and relief measures. In March 2020, they rolled out a \$5 million SGX Care Package, including a \$1.5 million contribution to national healthcare-support programmes such as The Courage Fund facilitated

by Community Chest. Their support has made an indelible impact during this challenging time.

This year, SGX continues to partner Community Chest to raise funds for social service agencies and their service users through a variety of fundraising initiatives such as the Bull Charge Charity Run. SGX is confident that SGX Cares' beneficiaries can continue to count on their international community of corporate partners and staff volunteers to exemplify the spirit of "Better Happens Together".

Through SGX Cares, we create positive social impact by activating the power of community. By collaborating with different stakeholders, we can find new ways to extend a helping hand and build relationships that sustain, through the good times and the tough ones. When we rally with a shared vision and purpose, Better Happens Together.

WITH SPECIAL THANKS

The Community Chest Awards 2021 Sub-Committee oversees the administration of the Awards and ensures that the selection of the award recipients is in line with the spirit and purpose of the Awards.

Mr Robert Chew, PBM, BBM, Chairman

Mr Robert Chew is a Partner at Stream Global and iGlobe Partners, a technology incubator and venture capital firm respectively. He serves on the boards of tech companies - Assurity (Chairman), CloudSine, SourceSage and StaffOnDemand, and was previously a partner in Accenture. He has received numerous awards for his contributions to the industry, such as the IT Leader of the Year from the Singapore Computer Award and the Distinguished Partner Awards from SPRING Singapore.

Mr Chew serves on the boards of various organisations – Health Sciences Authority, Kwong Wai Shiu Hospital, Shared Services for Charities and National Council of Social Service. He is also a member of the boards of the Singapore University of Technology and Design (SUTD), Singapore Mediation Centre (SMC) and chairs the Singapore Standards Council (SSC, Enterprise Singapore).

For his contributions to the community, Mr Chew was conferred the Public Service Medal in 2013 and Public Service Star in 2017. Mr Chew has been serving with Community Chest since 2014.

Mr Andrew da Roza, Member

Mr Andrew da Roza is a psychotherapist, assisting private clients and their families with addictions. He is the Chairman of We Care Community Services Ltd., a charity assisting service users and their families with recovery from addictions; Chairman of Reforming SG, a charity of peer leaders assisting ex-offenders in their recovery from drug addiction; as well as on the Board of the Singapore Anti-Narcotics Association. Mr da Roza is also a representative of Community Chest on the NCSS Services Committee, and a Mental Health Adviser to the Committee. Mr da Roza was a lawyer for over 25 years, first in private practice with UK law firms Linklaters and Lovells; and then as General Legal Counsel for FedEx Asia Pacific and subsequently General Counsel of International SOS. He has Masters degrees in law; counselling; and addictions science; and an MBA from Kellogg-HKUST. He is a certified alcohol and substance abuse counsellor and therapist; and a certified sex addiction therapist. Mr da Roza has been serving with Community Chest since 2014.

Ms Audrey Tan Hwee Gek, Member

Audrey is the Director of Sector Planning and Development Division at Ministry of Social and Family Development. A former journalist, Ms Tan started serving in the public sector in 2007, with her first appointment at the Ministry of Trade and Industry. She joined as a member of the Community Chest Committee in Jan 2018. She is also a member of the Community Chest Awards and Sharity Committees.

Mr Chew Kwee San, PBM, Member

Mr Chew was elected to the NCSS Board as a member from 1 August 2012 till 31 July 2018. During his term, he was appointed as a member of the Services Committee, Audit Committee and Community Chest Committee. Since 1 August 2014, he had stepped up to the position of Vice Chairman of the Community Chest Committee, and has since spearheaded various projects, such as Community Chest Orange Day and Sharity Day.

A lawyer by training, he is currently the Executive Director of the Tecity Group. He is also a Council Member of the Tan Chin Tuan Foundation and serves on the Boards of Community Foundation of Singapore and The Community Justice Centre.

Mr Latiff Bin Ibrahim, PBM, BBM, Member

Mr Latiff Bin Ibrahim is a Consultant at Ramdas & Wong. He was formerly the Managing Partner of Harry Elias Partnership and headed the firm's Construction, Engineering and Infrastructure Projects practice group. He has advised on various infrastructure projects in Singapore and the region. He served on the boards of Jurong Health Services and National University Health System between 2009 and 2019. In 2020, he was also appointed to the Appeals Committee of the Pioneer Generation and Merdeka Generation Funds. He is currently board member of Nanyang Academy of Fine Arts, and Muhammadiyah Welfare Home.

Since 2018, Mr Latiff volunteered with the National Council of Social Services as a Board member, and began serving as a Community Chest Committee member with effect from 1 August 2020. For his contributions to the community, he was conferred The Public Service Medal and The Public Service Star Award in 2006 and 2020 respectively.

Ms Lee Mui Ling, Member

Ms Lee Mui Ling was appointed as a member in the Community Chest Committee in 2016. As Senior Director in the Public Service Division (PSD), Ms Lee is in charge of architecting the future of service delivery models, developing a future-ready service workforce and building a service culture in the Public Service. She has more than 32 years of working experience in both private and public sectors. Ms Lee is also known to be an impactful change leader, a mentor and coach to many young talents.

AWARDS CRITERIA AND ELIGIBILITY

Selection of the award recipients is based on contributions made in the preceding financial year, starting 1 April and ending 31 March. This year, the nomination period for the Volunteer Partner Award, Enabler Award and Pinnacle Award was opened from 26 April to 21 May 2021. An eligible organisation may be nominated by a third party with the consent of the organisation. Self-nominations were also accepted.

SHARE Award

The SHARE Awards recognise organisations with employees on SHARE for their high participation rate. The organisation must have made a minimum annual contribution of \$5,000 and has contributed regularly for at least nine months within the assessment period, but not necessarily for consecutive months.

The various types of SHARE Awards are:

Award Type	Share Participation Rate
SHARE Achiever	98% — 100%
SHARE Platinum	90% — 97%
SHARE Gold	80% — 89%
SHARE Silver	70% — 79%
SHARE Bronze	50% — 69%

Charity Award

The Charity Awards are presented to organisations and individuals who have made significant donations to Community Chest. These donations include outright donations, funds raised from events and contributions through SHARE, Community Chest's monthly giving programme.

The various types of Charity Awards are:

Award Type	Contribution Amount
Charity Platinum	\$300,000 and above
Charity Gold	\$200,000 to \$299,999
Charity Silver	\$100,000 to \$199,999
Charity Bronze	\$50,000 to \$99,999

Volunteer Partner Award

The Volunteer Partner Award serves to recognise exemplary organisation(s) for their regular volunteerism efforts in service-based, skills-based and/ or event-based volunteerism, with demonstrated outcomes to benefit social service agencies and/ or service users.

The nominee must have volunteered with a charity that is a member of the National Council of Social Service, and the charity must be supportive of the nomination. The nominee must have displayed sustained commitment to the social service agency and supported its staff to volunteer regularly, and significantly contributed to strengthening the capabilities of the social service agency or quality of life of service users.

Enabler Award

The Enabler Award serves to recognise organisations and individuals who have offered their talents and/ or resources to benefit the social service sector through Community Chest initiatives. The contribution towards addressing social needs can be made by the nominee in ways like:

- i. Talent, capability and network including but not limited to the following:
 - ★ Offering media assets and resources such as digital/social media/advertising platforms (e.g. print ads, broadcast ads, out-of-home ads etc.)
 - ★ Mobilising and connecting people/organisations/partners to support Community Chest in Signature Events, special fundraising projects, etc.

Pinnacle Award

The Pinnacle Award is the highest honour conferred by Community Chest to recognise and thank an organisation for its exemplary efforts in holistic caring and the excellent example it sets as a role model in the following three aspects:

- i. Giving of donations
- ii. Volunteering and/or making non-monetary contributions
- iii. Embracing inclusive employment practices

The nominee must be eligible for a SHARE Award or Charity Award, and a Volunteer Partner Award or Enabler Award. The organisation must also incorporate sustainable and inclusive employment practices and measures such as:

- i. Hiring of persons with disabilities or mental health conditions
- ii. Policies or practices implemented to facilitate the hiring and integration of these staff
- iii. Procurement of products or services provided by social service agencies or social enterprises

ABOUT COMMUNITY CHEST AWARDS

The Community Chest Awards recognises people and organisations as the stars of caring and sharing. The logo design consists of a star made up of people and organisations raising their hands together, working hand in hand to help people in need of support.

The refreshed logo also takes inspiration from the Community Chest logo. The head and open arms, which is derived from the Community Chest logo, represents continuity and showcases how each individual has a part to play in social service.

The five points of the star represent the five categories of awards and recognise the winners as stars in their own rights.
