

Frequently Asked Questions (FAQ)

About Us

1. Who is Community Chest?

As the hallmark of care and share, Community Chest has been uniting the community to fundraise and serve those in need since 1983. As social service needs become more complex, we endeavour to create impactful partnerships with the people, private and public sectors to deepen sustainable giving and champion the potential of those we aim to support. Together, we can empower every person to live with dignity in a caring and inclusive society.

In financial year 2023, Community Chest has supported over 100 social service agencies and over 200 programmes to meet underserved, critical social needs.

2. Who do we serve?

As our fundraising and operating costs are covered mainly by Tote Board Group, 100% of all donations goes towards empowering the lives of:

Adults with Disabilities

Children with Special Needs and Youth-At-Risk

Families in Need of Assistance

Persons with Mental Health Conditions

Seniors in Need of Support

3. What is Youth Day Appeal (YDA)?

Since its inception in 1984, the Youth Day Appeal has stood as an annual beacon for fundraising efforts, advocating for youth involvement, and rallying substantial support for communities in need.

Aligned with the Ministry of Education's Values-in-Action Programme, this campaign encourages secondary school and junior college students to embrace the spirit of giving, fostering essential values of compassion, respect, and empathy from an early age.

4. How is YDA 2024 different from previous editions?

In 2024, we commemorate 4 decades of meaningful impact with our annual Youth Day Appeal. We have invited Singaporean actor-singer Glenn Yong to visit 10 schools between 24 June to 5 July to share his personal giving experiences. The first 3 schools to register will be guaranteed a spot while 7 other schools will be selected at random for the visit.

Multi-talented Glenn uses his artistic talents to raise awareness for the less privileged amongst us. He hopes to continue empowering and inspiring today's youth to do good as well! Register your school today to stand a chance for a school tour with Glenn!

Others

1. Our school is unable to participate in the donation drive, but we would still like to support YDA. How can we do so?

There are two ways the school can show their support to YDA.

a. Download and share the teaching kit with your students

The teaching kit contains useful educational resources such as experiential activities and an inspiring story of a service user. Through this kit, we aim to nurture, encourage, and inspire students to be socially responsible citizens who can contribute meaningfully to the community. It will be available for download via the [YDA website](#) on 10th June 2024.

b. Partner Community Chest for Values-in-Action projects

If the school has an upcoming/existing initiative that contains a fundraising component, the school may consider tying the fundraiser component with YDA. Examples of such initiatives include school's anniversary, concert, funfair, etc. The funds raised from the project can then be donated to support YDA 2024.
