INTRODUCTION TO COMMUNITY CHEST

Community Chest was established in 1983, to be the hallmark of care and share in Singapore. As the fundraising and engagement arm of the National Council of Social Service, Community Chest engages the community to raise funds for about 80 social service agencies to meet underserved and critical social needs.

With the aim to enable every individual to live with dignity within a caring and inclusive society, all of the contributions through Community Chest goes towards empowering the lives of adults with disabilities, children with special needs and youth-at-risk, families in need, persons with mental health conditions and vulnerable seniors.

COMMUNITY CHEST AWARDS 2022

The annual Community Chest Awards (CCA) honour organisations and individuals who have made outstanding contributions to the social service sector to care for the less fortunate within our community.

Over the years, Community Chest, the fundraising and engagement arm of the National Council of Social Service, has seen more stepping up in holistic caring for the disadvantaged and vulnerable in our community. They have demonstrated excellence in caring through fundraising and donations, volunteering with our supported charities and also being an inclusive employer for our service users.

Objectives for Community Chest Awards

1

Recognise donations + volunteerism
+ holistic caring of our partners

2

Engagement and prestige
for award recipients

**Community Chest Awards as the top accolade
to recognise holistic caring for the social service sector**

The Community Chest Awards has been designed to encourage more holistic caring and sharing. Beyond monetary donations, Community Chest partners who embrace inclusive employment practices, as well as contribute their time and skills to benefit the disadvantaged will be recognised.

The Community Chest Awards is in line with the Social Service Sector Strategic Thrusts, a five-year roadmap for the sector, which envisions empowering every person to live with dignity in a caring and inclusive society.

Logo and its description

The Community Chest Award recognises people and organisations as the stars of caring and sharing. The new logo design consists of a star made up of people and organisations raising their hands together, working hand in hand to help people in need of support.

The logo takes inspiration from the Community Chest logo. The head and open arms derived from the Community Chest logo represents continuity and showcases how each individual has a part to play in social service.

The five points of the star represent the five categories of awards and recognise the winners as stars in their own rights.

A: Yes. We strongly encourage you to consolidate the contributions from various units to showcase your organisation's collective efforts for greater impact.

2. Q: My organisation currently donates to Community Chest through SHARE and outright donations, and the SHARE participation rate is high. Will my organisation be able to receive two awards (one Charity Award based on the consolidated donation amount and one SHARE Award based on the SHARE participation rate)?

A: Your organisation will receive the Charity Award as the higher tier award out of the two awards. However, should you wish to be presented with the SHARE Award instead, you may submit your request to do so.

Volunteer Partner Award, Enabler Award and Pinnacle Award

3. Q: Will there be only one recipient for each award?

A: Should there be a strong showing of outstanding nominations, Community Chest is open to conferring this Award to more than one recipient.

4. Q: My organisation volunteers regularly but with a non-Community Chest funded charity. Are we still eligible?

A: Community Chest is the fundraising and engagement arm of the National Council of Social Service. Your nomination will be considered as long as the charity is a registered member of the National Council of Social Service.
