

Dear Teacher,

INSPIRE CONFIDENCE IN RIFKY

Community Chest has been uniting the community to fundraise and serve those in need since 1983. As the hallmark of care and share, Community Chest hopes to encourage the community to contribute and maximise the impact to enhance the sector's capabilities, creating impactful partnerships and make caring a part of our everyday lives.

In celebration of Youth Day, we are calling out to all schools to support Youth Day Appeal (YDA), an annual fundraising campaign and a nationwide initiative where we aim to nurture, encourage and inspire our builders of tomorrow to give and care for those who are in need. A 'Good Deed Message' is enclosed in the YDA 2020 envelope, where students can share their good deeds journey with their friends and classmates. Schools are also encouraged to register with us for "Be the Change We Want to See" presentation, an initiative of Community Chest, to supplement the schools' effort in encouraging holistic giving via the Sharity Youth Volunteer Programme.

Supported by MOE and in line with its Values-in-Action programme, YDA seeks to instil values such as respect, care, responsibility and harmony among students while providing an avenue for them to put such values to action, where we build the next generation of givers who see beyond the disabilities of our social service users such as Rifky, empowering them and giving them hope for a brighter future. Through this campaign, we hope that students can play a part in nation building efforts and make an impact within the community.

100% of funds raised through YDA go towards improving the lives of service users from about 80 social service agencies supported by Community Chest, allowing them to integrate into society and to live with dignity.

To join us in making a collective impact on the lives of our service users, please register via this registration link: go.gov.sg/ncss-yda20, or by scanning the QR code. Should you have any queries about YDA, feel free to email us at NCSS_School@ncss.gov.sg.

We look forward to your partnership and support in making YDA a meaningful initiative to inspire our next generation to contribute and collectively create a caring and inclusive society.

Ms Priscilla Gan
Director, Relations and Engagement
Community Chest

Your donations will go towards empowering Rifky and our service users to gain confidence and live life with positivity.
